SUBJECT: **Exemption List Verification**

I am responding to your letter of September 10, 2014 in which you requested verification of the status of the Department of Education's (DOE) exemption list under Section 343-6, Hawaii Revised Statutes. The status of our list is current and in use.

The DOE's exemption list is on the Office of Environmental Quality Control website. There have been no changes to our list and no need for updates. We maintain a file for all DOE exemptions granted. It is available to the public.

The DOE's designated point of contact for exemption list issues will be Heidi Meeker in the Planning Section, Facilities Development Branch. She may be reached by email at heidi_meeker@notes.k12.hi.us or by phone at 377-8301.
