**Notes**

- Hawai'i Administrative Rules (HAR) Section 11-200-3(c) establishes the publication schedule of the periodic bulletin (i.e., The Environmental Notice) to be on the eighth and twenty-third of each month. Publication may occur on weekends and holidays.
- HAR Section 11-200-3(c) establishes the submittal deadline to be eight working days before the publication date. The schedule does not count holidays and non-working days. Items must be submitted before the close of business (4:30 PM) on the submittal deadline.
- Hawai'i Revised Statutes (HRS) Section 343-5 sets the comment periods for EAs as 30 days and for EISs as 45 days from the publication date. For counting purposes, the publication date is day zero. Holidays and weekends (see HRS 1-29 and HRS 8-1) are counted. When the deadline falls on a state holiday or non-working day, the deadline is the next working day.
